**In any church or synagogue,  
a gifted counselor can make a unique  
contribution to a  
congregation's or community's  
ministry and future.**

During significant times of leadership transition, growth or decline, planning, conflict, or dramatic changes in a congregation's environment, a professional consultant can aide the discernment process and foster a healthy outcome.

---

**Does your congregation . . .**

- . . . want to be more effective?
- . . . need to strengthen team dynamics?
- . . . need to develop a board or staff team?
- . . . struggle with important decisions?
- . . . seem embedded in "the way it used to be"?
- . . . find itself unable to resolve conflicts?
- . . . dig its heels in when change is needed?

**Are you a congregational leader . . .**

- . . . searching for spiritual direction?
- . . . who needs to learn to think in new ways?
- . . . whose development has stalled?
- . . . seeking a facilitator for a sensitive situation?
- . . . new to a congregation with inherited issues?
- . . . saturated by your congregation's problems?
- . . . who finds your ministry at a standstill?

---

**What is the cost to you and your  
congregation if you do not seek  
the help you need?**
